Serving the Lord in Madrid, Spain

Summer Ministry at Rey de Reyes

We praise God for a wonderful summer of ministry in Madrid and in the United States. In the month of June we were able to participate in the World Focus missions conference at Bonclarken, where it was a great joy to see many friends, family and people who pray for our family and support our ministry.

In July we give thanks to God for a team from First ARP Rock Hill who came to Madrid to partner with our church in leading a Vacation Bible School and an outreach event in a local park. It was a great blessing to have new kids and families attend both events. For the outreach event, many people in our church were filled with great enthusiasm when we announced baseball and a picnic in a park. We had such a fun evening with the group from Rock Hill teaching some of the internationals who attended how to play baseball. During VBS, children from our church invited their friends and we are thankful for new children who came for

the first time. It was a joy to see the youth from our church participating in helping at the VBS through acting out the Bible stories and leading the music.

The month of August, which is when most Spaniards are on vacation and many places close down for the month, our church focused on the theme of fellowship, based on 1 John 1:7. Each Sunday we had a special event based on fellowship...dinner after the worship service, church in the mountains with a place to swim and a picnic, ice cream after the worship service, and church and picnic in a park in downtown Madrid. Please join us in praying that our church family would grow more in Christian fellowship through the events that we had and for new families to join our church.

But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus his Son cleanses us from all sin.

1 John 1:7

Thank you for your faithful prayers and support!
